EXPERIENCE

Web Developer Current, May 13th, 2024
InternPe, Remote

Video Editor June 1st, 2023 - December 30th, 2023
Content Beta, Remote

- As a Video Editor at Content Beta, adeptly translated concepts into compelling visual narratives for diverse clients, spanning from burgeoning startups to Fortune 150 giants.
- Crafted top-tier video content that effectively highlighted brands, products, and services, contributing to impactful marketing campaigns.
- Created short-form videos, animated gifs, and motion graphics for social media posts.
- Worked within tight deadlines with a team or independently and made quick creative editing decisions to maintain a high quality of work.

Freelance Video Editor April 2020 - June 2023
Freelancer, Remote

- Enhanced client satisfaction by delivering high-quality video edits within tight deadlines.
- Collaborated with directors to create and maintain a consistent visual style across all projects.

PROJECTS

Simple Calculator & Website Showcase. Developed a fully functional Simple Calculator using HTML, CSS, and vanilla JavaScript as part of an internship project at InternPe. Implemented additional features such as dark mode and created a visually appealing UI/UX design for the calculator and the entire website.

Portfolio Website Development. Designed and developed a responsive portfolio website using HTML, CSS, and JavaScript to showcase skills, projects, and experience. Created an online presence to effectively display professional achievements and capabilities.

Railway Reservation System. Developed a user-friendly website for booking tickets and checking train schedules using HTML, CSS, JavaScript, PHP, and MySQL. Simplified ticket booking for passengers and reduced workload for staff.

Hunter Edits Blog. Created and maintain a blog website focused on sharing updates from Instagram, along with movie and series reviews and recommendations. Provided a platform for sharing movie and series reviews, Instagram updates, and curated content for followers.

EXTRA-CURRICULAR ACTIVITIES

- Actively create movie and series content for over [180k+ followers](#) on Instagram to engage and entertain the audience.
- Maintain a blog on [Blogger](#) dedicated to movie content to share reviews, recommendations, and updates with the audience.
