EXPERIENCE

Content Beta
Andheri East, Mumbai
1th June 2023 - 1th Dec 2023

As a Video Editor at Content Beta, I adeptly translate concepts into compelling visual narratives for diverse clients, spanning from burgeoning startups to Fortune 150 giants. My role involves crafting top-tier video content that effectively highlights their brand, products, and services, contributing to impactful marketing campaigns.

Freelance
Apr 2020 - Jun 2023

As a freelance worker, I independently took on various projects and tasks, acquiring valuable experience and refining my skills.
